Firefighters in Guangdong province are quick to answer the call. That much was clear after a video surfaced online of a team of firefighters in Jieyang clearing their station's gymnasium in the middle of a group dance lesson after the fire station siren went off. While this is simply what they do (and quite well, we'd like to add), the real kicker was the dance instructor's reaction.

An instructor is a teacher. One can be an instructor of just about anything, but it usually applies to teaching hands-on skills, like a water-skiing instructor or the instructor of the knitting class held at the community center. When you instruct, or teach, other people how to do something, you are their instructor.
