While the situation and audience analyses identified potential audiences for the program, it is during the development of the communication strategy that final decisions are made as to the priority and influencing audiences. Review the situation and audience analyses, paying particular attention to the audience characteristics and barriers to change described in the summary ().

How to Develop a Communication Strategy | The Compass for SBC

Creating true business communication strategies is still a challenge for organizations. Even in large companies, we regularly see communication departments without a documented corporate communication strategy. This is surprising, because CEOs invariably say that they expect their chief communications and public affairs officers to be true "strategic" partners.

How to build a corporate communication strategy: a step-by ...

Strategic communication is an umbrella term to describe the activities of disciplines including public relations, management communication, and advertising. However, strategic communication is also increasingly recognized as a developing subfield within communication. As such, it explores the capacity of all organizations—not only corporations, but also not-for-profit organizations (including advocacy and activist groups) and government—for engaging in purposeful communication.
