The development of Tango as we know it today started in the mid-1800s after Argentina undergone massive immigration. A mix of the people from Africa, Spain, Italy, England, Poland, Russia and native-born Argentinian created a very potent cultural mix that soon started forming new traditions and a new way of life.

History of Tango - Origin and Characteristics of Tango

The tango was born out of its effervescent socio-cultural setting – the suburban murkiness of a city that took in millions of immigrants: “creoles”, workers, artisans, sailors, and textile workers. This was a colorful, transitory world where lonely men went to brothels and dances in search of leisure and distraction.
