This Introduction aims to provide basic guidance to important areas of Syriac studies. The relevance of Syriac studies to a variety of other fields is explored. A brief orientation to the history of Syriac literature is offered, and Syriac is set within the context of the other Aramaic dialects. A thorough discussion on important tools (Instrumenta Studiorum) is presented; topics include ...

An Introduction to Syriac Studies (Third Edition)

This is an ideal introduction to modern biblical studies. Readers are introduced to questions of inspiration, canon and authority. This is followed by chapters on historical approaches to the Bible, such as source, form and redaction criticism. Comparisons with other literature, such as ancient flood stories or Egyptian psalms help to set the context for [...]
