A Gallery for Fine Photography | PhotoNOLA

So it stands to reason that Inventing Reality —a new anthology that highlights the work of twenty-seven photographers from the New Orleans area—should be no ordinary book. The new publication, which is released by LUNA Press to coincide with the PhotoNOLA festival of photography taking place this month, tells an arresting story about the identity of a city as immortalized by its photographers.

Through the Looking Glass - Country Roads Magazine

Her work has been featured in Fraction, Square, Shots, Diffusion, B + W Photography, Vignette and Fuzion magazines and in Inventing Reality, New Orleans Visionary Photography.
