Is Belief In God Good

I believe in God and listen to Bad Religion, guess that makes me a dualist (see: evolution & religion). I enjoy reading both sides of the debate. The conversations were personal and intelligent. Was a good read and very cool that they agreed to publish personal exchanges. Way more honest than a book with a self serving agenda.

Amazon.com: Is Belief in God Good, Bad or Irrelevant?: A ...

"In any event, if people want to believe in God, I have no problem with them. But if they want to tell me that God is a kind of truth or knowledge that I am ignorant of, I ask them how I can be more educated.

A median of 45% across 34 surveyed countries say it is necessary to believe in God to be moral and have good values. However, public opinion on this question, as well as the role of God, prayer and religion varies by country, region and economic development.

Is Belief in God Necessary for Good Values? Global Survey ...

Preston Jones (a Christian history professor and music fan) and Greg Graffin (a punk rocker with a Ph.D. in zoology) conversed via e-mail about knowledge, evil, biology, evolution, religion, God, destiny and the nature of reality. While they find some places to agree, neither one convinces the other of his perspective. Which worldview is more plausible? You decide.

Is Belief in God Good, Bad or Irrelevant? - InterVarsity Press

Belief in God rests on faith. As the Bible says, "no man has seen God at any time." (John 1:18) Likewise, no human saw the forming of the universe or the commencement of life. Nor has anyone ever seen one kind of life evolve into a higher kind or even into a different kind.

Is Belief in God Reasonable? - JW.ORG

More recently, a 2008 Gallup survey found that 73 percent of college-educated individuals profess belief in God as compared to 88 percent of those with no college. Among scientists, religious belief is much lower. A 1999 issue of Scientific American reported that 40 percent of scientists believe in God. Other studies found that belief in God was held by 7 percent of National Academy of Science members and only 3.3 percent of UK Royal Society fellows.

Belief in God - AllAboutPhilosophy.org

I now have decided that belief in God is irrelevant. The fact that two people with such completely opposite viewpoints can agree to disagree and have a conversation is proof to me that there is a chance for a better world with or without the divine intervention of a God or whether everyone even agrees on whether a God exists.
