Dr Trimingham's conclusion is that a fundamental ch. Among the great facts in the history of West Africa prior to the age of European penetration has been the propagation of Islam and the way it has changed African societies. This book is not an attempt to write a history of West Africa, but to show the way in which Islam spread and moulded the history of the western Sudan.

A History of Islam in West Africa by J. Spencer Trimingham

This book, which continues my studies of Islam in Africa, is primarily a phenomenological study of the religious life of West African Muslims. My special aim has been to try to assess what has been the result of the impact of Islam, the way it influences African society,
