John Pawson Plain Space

John Pawson Plain Space was written in parallel with preparation for an exhibition of the same name at the Design Museum in London. It explores both the recent body of work and earlier projects from the perspective of someone who has had unique access to the work, archives and day-to-day life of the Pawson office.

John Pawson: Plain Space at the Design Museum | Dezeen

'Plain Space', John Pawson's mid-career retrospective at the Design Museum, offers a chance to reassess his work so far, but also to consider this specific moment in architecture. A whole generation of the London-based architect's more flamboyant peers is often charged with privileging ideas over actual buildings.
