...

The law/gospel distinction is a well-known and an important theological distinction in Protestant and Reformed circles. Unfortunately, a lot of confusion exists surrounding it, in part because further distinctions are not

Where To Download Law And Theology

always properly made. And these further distinctions are necessary because the terms “law” and “gospel” are used in more than one sense both in Scripture and in theology.

Theology & Law

Seminary taps into so many different intellectual dimensions. We have to learn the hard facts, the theology those facts support, the implications of the theology, the theory, the practical—it all converges! It is honestly overwhelming at times. In law there are really only two positions, the one that wins the case and the

The relation of religious law to theology is basic to any faith community. In this article, chiefly in terms of Roman Catholicism, but it is hoped of wider application especially within Christianity, the relation of canon law to theology is examined through papal allocutions to the judges and other members of the Church court known as the Roman Rota.

Theology is the study of the nature of God and religion. There are different categories of theology: Natural Theology *Natural theology is restricted to the facts concerning God which are revealed in the universe around us. Biblical Theology *Biblical theology is restricted to the biblical revelation of God. Its sole source is the Bible, independent of any philosophical
