Welcome to LOGO!
Once we have described our procedure to Logo, we can enter its name on the command line, just as we would do to any of the built-in things. In this case, we would type 'square' on the command line and Logo looks up the commands to make a square. Click the button that says Edall (for edit all) to bring up Logo's built-in editor. (If your Logo doesn't have an Edall button, type 'edall' on the command line).
