[EPUB] Magic Lantern Guides Nikon D700 You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

I actually find the modern Nikon manuals pretty useful -- far better organized than they were in the past. but of course the Magic Lantern guides are actually illustrated with photos and that is a help too. Start with the Niko nmanual and live with it for a month or so before deciding to splash out more cash.
