Answer: Most people understand hope as wishful thinking, as in "I hope something will happen." This is not what the Bible means by hope. The biblical definition of hope is "confident expectation." Hope is a firm assurance regarding things that are unclear and unknown (Romans 8:24-25; Hebrews 11:1, 7). Hope is a fundamental component of the life ...

Support the YMHC Make Hope Happen project. We know that all students need tools to manage their mental health and wellness. By creating tools for mental health change, we hope to increase access to mental wellness information, resources, skills and strategies. We know that greater access to tools for mental health change demonstrates our shared commitment to child and youth suicide prevention and puts the tools into the hands of those who need them.

### **Make Hope Happen: Youth Mental Wellness Tool Kits for ...**

The dictionary describes hope as a feeling of expectation and desire for a certain thing to happen. An Ideal is described as satisfying one's conception of what is perfect; most suitable. In conclusion, it is safe to say that when you combine those two words together you "have an expectation and desire for what is most suitable for yourself."
