The following textbooks may be used by MCC test committees to validate examination questions.

List of suggested reference materials | Medical Council of ...

If so, don't sweat the MCC at all - it's frankly just a money grab (part 1 and part 2), especially since the LMCC has absolutely no meaning/value any more (other than you 'have to have it'). Spend a week or so brushing up on obs/gyne, psych, public health, and peds. A bunch of us went south for a week to 'study' and did just fine.
