Medical Office Policies Procedures Manual (Download)

There's an important difference between medical office procedures and policies. Policies are the official way that your office conducts professional business. An example is a billing policy which states that every balance over 90 days old will be sent to collections. Procedures, on the other hand, are different.

Medical Office Procedures - What You Need For Your Office

UTILIZING THIS MANUAL. The policy and procedure manual is essential to the efficient operation of every medical practice. Its purpose is multifold: to serve as a training and orientation guide for new employees, to serve as an ongoing reference for staff, and to serve as a risk management tool that lowers liability exposure in the office. This publication is in template form to help you develop a policy and procedure manual for your medical practice.

Medical Office Policy and Procedure Manual

The policies and procedures for a medical office or clinic are crucial to laying out the health care and administrative standards that clinicians are expected to meet. A policy and procedure manual tells doctors, nurses and other office staff how to perform certain duties so that they can provide quality care to patients.
