The Monster Manual is a huge part of this new set, and is a must-buy for any gamer. The manual contains the standards from previous D&D games, as well as quite a few new and interesting monsters. Most DMs start with the manual and then develop their own particular styles of monsters based on their campaign, and this book makes a great launching point for that imaginative play.

Monster Manual 1 is one of the three core rulebooks. It serves as a reference point for dungeon masters, rather than players, containing many monsters and races that may be encountered in the DnD universe. Although it is primarily for Dungeon Masters, it does provide some more race options for players.
