The difference between the two is that, one creates a liberalised trading regime at the regional level, the other aims at creating the same at the global level. This led to the belief by the GATT contracting parties that regionalism might aid multilateralism.

Chapter 5 Regionalism Vs Multilateralism: Testing the Debate

Multilateralism will promote the diversification of market, whereas regionalism discourages it, which is an important attribute of economic governance. Multilateralism delays decisions and process, whereas regionalism comparatively less time consuming.

Multilateralism and regionalism in the global economic ...

The strategy contains two distinct but reinforcing elements: (1) multilateralism, in which the United States actively participates in the agricultural trade negotiations at the World Trade Organization; and (2) regionalism, in which the United States pursues regional trade agreements with like-minded trade partners.

USDA ERS - Multilateralism and Regionalism: Dual ...

But the trend toward economic multilateralism and regionalism is accelerating, and not only within the Asia-Pacific. The Economist estimated in late 2015 that the number of regional trade agreements had roughly quadrupled from 70 in 1990 to over 270. There are several explanations for this phenomenon, two of which have been widely noted.

Economic Multilateralism and Regionalism | RAND

Regionalism, Multilateralism, and Globalization Edward D. Mansfield Department of Political Science University of Pennsylvania Introduction Over the past few decades, economic regionalism has been growing rapidly, stimulating a large and influential literature. In this memo, I briefly outline some of the key debates that have

Regionalism, Multilateralism, and Globalization

Regionalism dates from the time of the earliest development of political communities, where economic and political relations naturally had a strong regionalist focus due to restrictions on technology, trade, and communications. The converse of multilateralism is unilateralism, in terms of political philosophy. Other authors have used the term "minilateralism" to refer to the fewest states required to get the biggest results through this institutional form.

Multilateralism - Wikipedia

Multilateralism, process of organizing relations between groups of three or more states. Beyond that basic quantitative aspect, multilateralism is generally considered to comprise certain qualitative elements or principles that shape the character of the arrangement or institution. Those principles are an indivisibility of interests among participants, a commitment to diffuse reciprocity, and a ...

Multilateralism | international relations | Britannica

'Regionalism vs. multilateralism' switches the focus of research from the immediate consequences of regionalism for the economic welfare of the integrating partners to the question of whether it sets up forces which encourage or discourage evolution towards globally freer trade. The answer is 'we don't know yet'.
