more potential for increased empathy, social connection, and cooperation. I, for one, feel more connected to my human ancestors just knowing that someone took the time to carve that flute, succumbing to the primal urge to make music. It's an urge I share.

Four Ways Music Strengthens Social Bonds

Music is central to cultural life and therefore also often perceived as central to social life. The study of music in society has been of interest to canonic social thinkers, including Weber, Simmel, and Adorno, since the establishment of sociology. The study of music has also concerned scholars in adjacent disciplines, particularly musicology, cultural studies, and economics.
