The description of the
book is very
misleading. It appears
to be a love story,
however, that is barely
expanded in the book.

Mr and Miss Anonymous by Michaels, Fern

Fern Michaels always delivers a fast-paced read that is pure escapism. I love her creativity - the ideas she comes up with amaze me! The premise of this book - two college students

donate their genetic materials to a fertility clinic - and may face the unintended consequences one generation later - is the subject of a telenovella or soap opera.
