Jeanne Ryan wanted to give the people at Nerve a feel of omniscience, but information gets fed in somehow. Going deeper into Nerve itself would have made this a more interesting book. Also consequences. Consequences would have been great. I found the fallout after the game to be entirely unconvincing.

Book Review: Nerve by Jeanne Ryan | Reads By Amanda

After reading 'Nerve', it's hard to believe that this is Jeanne Ryan's debut novel. It is full of twists, mystery, suspense and a bit of romance tossed in for good measure. The idea of NERVE, an online game composed of players doing dares, is a creepy one - especially because it could happen in today's culture.
