INSTRUCTIONS FOR ONLINE NIHSS CERTIFICATION

NIHSS - Developed by the National Institutes of Health, the NIH Stroke Scale educational program is a series of training videos developed to help clinicians measure the patient's status after an acute stroke.

Apex Innovations, LLC - Improving Outcomes Through Education

The NIH Stroke Scale is a neurological examination used to measure the patient's status after a stroke and in assessing the outcome after treatment. Among stroke neurologists and neuroscience nurses, it is the most widely used stroke deficit scale. The NIH Stroke Scale contains parameters for observing changes in the patient's neurological status and measuring stroke severity.
