OLD FASHION PLAYER PIANOS. At the Antique Piano Shop, we specialize in player piano restoration. Two very important points we would like to make are these: First, a player piano is only going to play and sound as good as the piano itself. If the piano is in poor condition, no matter how fast the keys move up and down it is going to sound terrible. Second, a player piano consists of two separate machines - the piano, and the player mechanisms that play the piano.

Player Piano - Antique Piano Shop

Player piano rebuilding and repair work for all pneumatically operated player pianos, reproducing pianos, nickelodeons, reed organs, band organs and anything else that uses air to create mechanical music. Player systems and components can be shipped to my shop for rebuilding and you can re-install the rebuilt parts yourself.

As you will see from the following pictures, Mike has a terrific workshop facility, and carries out very fine repair and restoration of his player piano. As Mike explains: "Don't remember exactly what got me interested in player pianos, that was a loong time ago. I've always been interested in mechanics and interested in mechanical objects.

Player Piano

Refer to Arthur Reblitz Book Player Piano Servicing and Rebuilding for comprehensive instructions in the art of player piano rebuilding. Never try to take shortcuts when gluing any pneumatic component. It will not work for any reasonable length of time and may make future restoration difficult, if not impossible. Use hot hide glue.
