Poems of the Elder Edda (The Middle Ages Series): Terry ...

Poetic Edda is the modern attribution for an unnamed collection of Old Norse anonymous poems, which is different from the Edda written by Snorri Sturluson. Several versions exist, all primarily of text from the Icelandic medieval manuscript known as the Codex Regius, which contains 31 poems. The Codex Regius is arguably the most important extant source on Norse mythology and Germanic heroic legends. From the early-19th century onwards it has had a powerful influence on later Scandinavian literat

Poems of the Elder Edda (eBook, 1990) [WorldCat.org]

All that is reasonably certain is that by the middle or last of the twelfth century there existed in Iceland one or more written collections of Old Norse mythological and heroic poems, that the Codex Regius, a copy made a hundred years or so later, represents at least a considerable part of one of these, and that the collection of thirty-four poems which we now know as the Poetic or Elder Edda is practically all that has come down to us of Old Norse poetry of this type. Anything more is ...
