In parallel to the Cocoa Livelihoods Program (CLP), TechnoServe was a key implementer in the African Cocoa Initiative (ACI), which sought to institutionalize effective public and private sector models for sustainable productivity growth and improve food security on cocoa farms in West and Central Africa.

Improving Cocoa Productivity and Food Security | TechnoServe

4 reviews of Social Security "Odd to review a government agency, but I believe the professionals at the Cocoa SSA in Canaveral Groves deserve more than the single review they currently have. And my experience has been really good, especially considering the scope and responsibilities of the agency. I have been to the office twice (so far) and both times received very good support.

Social Security - Cocoa, FL - Yelp

A security consultant and contract developer for iOS and Mac application software, he has presented on high-quality software engineering practices for Cocoa developers at many conferences, including Voices That Matter, NSConference, the Association of C and C++ Users, and Qcon.
