Raider Cs 35 Instruction Manual

Details. The Raider Rapid Fire CS-35 is a pump-action clip system blaster. It features the ability to be slam fired, with the blaster advertised as being able to do so at incredible speeds. On the side opposite the clip well, there is an orange jam door that allows users to remove jammed darts. An extra dart can be placed in the bottom of the trigger handle.

The Nerf Raider cs-35.Comes with 35 streamline darts,a drummag, and of course the gun.

Unpacking the nerf raider cs-35+assembling

On the instruction manual picture, instead of saying Rampage, it says Raider CS-35. The differences between the standard and Elite XD variants can be easily told apart from the packaging. The original version depicts an older Nerf model, while the newer version features a younger Nerf model.

carries up to 35 darts in the drum magazine and uses a pump-action system for rapid fire. The tactical rail is compatible with most N-strike accessories and the adjustable stock delivers a comfortable fit for kids six and up.

Amazon.com: Hasbro Nerf N-Strike Raider Rapid Fire CS-35 ...

I bought this Nerf N-Strike Raider CS-35 for my son's 9 year Nerfday Party. 3 other kids showed up with the same gun. The clip/barrel has a large capacity (35 darts), and it can be used with any other clip system Nerf gun, which is a nice touch. The gun we bought was defective, and the cocking mechanism jams up a lot -even with no darts in the gun.
