## Reading

Reading at uni. In your unit, you are often provided with a list of recommended readings (or other media), so you should always start with these before doing any further reading, as they usually include key concepts from the unit. Completing your weekly readings before class is essential, because it helps you to develop a wider vocabulary and better

engagement with your topic.

### **Critical thinking, reading and note taking | Students**

Taking notes helps to extend your attention span and keeps you focused on reading the book. Taking notes changes you from a passive learner to an active one, which makes the retention of the information more likely. It forces you to
