Hey guys I have a Renault Clio 2003 model and was just wondering if anyone knew how to manually search through radio stations. When I try to do it it skips to all the stations that are being used and I am trying to find a station which isn't being used, but can't seem to manually seek the unused stations.

Anyone got a Renault Clio?? — Digital Spy

The software updates via Renault medianav tool are poor and cause more problems with the medianav. I had issues with my medianav and found that updates are a very rare happening with Renault LG interface. Also just been round to family member as having issues with DAB radio on his Clio but can't get it sorted as yet. Very common problem I'm afraid.
