Overview. USPA presents the primary contents of the 2019-2020 Skydiver's Information Manual online for reference by USPA members and others interested in the policies and recommendations of the U.S. Parachute Association. USPA presents the SIM online as a free service but urges skydiving students, instructors, school owners, and others who use the manual often to obtain a full version in print.

USPA 2019-2020 Skydiver's Information Manual | ChutingStar ...

Just getting into skydiving, this book is a great read. It will inform you about a lot about the sport, the equipment (past and present), the training and beyond. Being on it's 10th edition, you can see where some of the newer stuff was put in and the flow of the book becomes slightly contorted from time to time, but the information is there ...
