### Sluff Of History's Boot Soles An Anecdotal History Of ...

Crepe rubber soles have a rich and long history as the soles on British troop combat boots during WWII. They do not provide the best traction and should be avoided for wet weather or winter wear. But their common yellow/sponge characteristics can provide a great look in casual boots like the popular Clarks Desert Boots and other designer boots.

### Boot Camp: 10 Most Common Types of Boot Soles Explained ...

Wedge soles are not a type of material, but rather a style. It's the name given to boots that are typically all one flat piece of rubber, so there's more contact with the ground. The idea of wedge soles is that besides usually being softer and a bit more sneaker-like than heeled boots, they help to avoid tripping hazards and they track less mud.

### The 8 Most Popular Boot Soles You Should Know About ...

When weather conditions dip below par during these colder months, we put on our winter boots without much thought to what went into making them. Perhaps the most important part of our footwear in icy, slippery conditions is the sole. One of the most famous and recognizable of these soles is the Vibram (pronounced "Vee-bram"). The Vibram name is so ubiquitous that it's likely forgotten that it's a brand unto itself, with a storied history nonetheless.

### When Rubber Met the Road: The History of Vibram Soles

An Abbreviated History of the Jungle Boot. This photo popped up on Facebook last week and a great deal of commenters on the post were ill informed. It wasn't necessarily that they didn't know what they were in theory, it was that they didn't know that this tread pattern was at one point used on issue boots as well as other inaccuracies ...

### An Abbreviated History of the Jungle Boot - Soldier ...

Henry Nelson McKinney, an advertising agent for N. W. Ayer & Son, was the man who came up with the term "sneaker." This was a brilliant marketing idea for the newly invented rubber soled shoes. He said that the rubber soles made the shoes "stealth" like so he termed them sneakers. The first sneakers were Keds and they were invented in 1917.
