So Long See You Tomorrow

So Long, See You Tomorrow is a high quality short novel that shows very effectively how children can be impacted by traumatic events in their families. The story is about two boys in the same small town who experience such traumas - one boy is deeply affected by the death of his mother, and the other boy is severely victimised by the effects of an affair and murder involving his parents.

So Long, See You Tomorrow by William Maxwell

So Long See You Tomorrow is a weird book, it talks about different things. It mostly talks about his mother dying and how he hates his step-mother. It gets really confusing towards the end of the book, the auther who wrote this book does not have anything organized so you get lost in the book, but other than that I think its pretty good.

About So Long, See You Tomorrow. In this magically evocative novel, William Maxwell explores the enigmatic gravity of the past, which compels us to keep explaining it even as it makes liars out of us every time we try. On a winter morning in the 1920s, a shot rings out on a farm in rural Illinois. A man named Lloyd Wilson has been killed.
