Spalding: After being approached to teach the Spalding Method, I felt trepidation. While very impressed with Spalding's research and philosophy, I was worried that my second-grade students would quickly become disengaged with the program's repetition. I knew that I would need to spark enthusiasm and

Spalding Education International offers training workshops. However, these are not very practical for most parents. I generally suggest that homeschoolers use one of the programs that uses similar methodology but presents it in an easier-to-use fashion—programs such as Spell to Write and Read, All About Reading, or The Logic of English.
