Force spirits were beings who gained immortality through the preservation of their consciousness after death. When lifeforms died, they became one with the Force. Through special training, however, deceased Force-sensitives could retain their identity and, therefore, communicate with the living. By achieving spiritual immortality, a person's physical form would vanish upon their death. This ...

Power of the Force Star Wars Action Figures Guide
The Force ghost was the soul and essence of a deceased Force-sensitive who denied the will of the Force upon death, yet was able to interact with the living. It also describes those who committed a final act of selflessness that led to their death, and have come to terms with it. Some Sith Lords learned similar techniques, which in some cases allowed them to physically interact with their ...
