Study Guide To Accompany Textbook

I use the Workbook / Study Guide Volume I (covers episodes 1-26) with the "Second Edition of the Alternate Edition" textbook (ISBN 0-07-252536-3) and the Destinos video series . It supplements and expands the exercises in the textbook . The additional exercises are helpful in the learning process. For me, it is a MUST to have this Workbook ...

This study guide really does help me grasp the material and really understand it better. I would recommend this study guide to any other students that are struggling with the material. It does an overview of the key points in the textbook chapter and then it has lots of questions to answer and then it provides the answers to the questions with an explanation as to why they are the correct answers.
