Teaching Phonics Word Study in the Intermediate Grades

...

The goals of phonics and word study instruction are to teach children that there are systematic relationships between letters and sounds, that written words are composed of letter patterns representing the sounds of spoken words, that recognizing words quickly and accurately is a way of obtaining meaning from them, and that they can blend sounds to read words and segment words into sounds to spell (Adams, 1990; Chard & Osborn, 1999; NRP, 2000).

the relationship between sounds and written letters (known as the alphabetic principle) so that the students learn how to decode and read words. In word study instruction, students learn to use complex elements of reading to decode more advanced words (e.g., students learn how to decode words based on associated word meanings and by learning how to identify word parts, such as affixes and root words).

2. Word-building rocks! Word-building is the best way to teach reading and spelling. Write the letters on cards and ask the children to build a CVC word, e.g. 'mat'. This way children can clearly see how letters spell sounds and how those sounds can be blended into words. 3. Teach reading and spelling together

words that students can already read. When students move beyond letter sounds and are working with words, they should practice phonics and spelling with words that they can already read.

Best Practices in Phonics and Word Study Instruction for K ...

A word study program is a cohesive approach that addresses word recognition, vocabulary, and phonics as well as spelling (Zutell, 1992). What is word study? Word study provides students with opportunities to investigate and understand the patterns in words. Knowledge of these patterns means that students needn't learn to spell one word at a time.

The research on effective word study provides a solid basis for what to teach and how to teach it. While instruction in basic phonics (consonants, vowels, silent e) is important in primary grades, advanced phonics (i.e. cluster, patterns in multi-syllabic words) can also create fluent readers in upper grades (Blevins, 2011)
