Thatcherism is a type of British conservative ideology named after Conservative Party leader Margaret Thatcher. The term has been used to describe the principles of the British government under Thatcher from the 1979 general election to her resignation in 1990, and continuing into the Conservative governments under John Major and David Cameron. Proponents of Thatcherism are referred to as ...

Mrs Thatcher has cited the breaking of the post-war political consensus, established with the support of dominant groups in the Conservative and Labour parties, as one of her objectives. In this penetrating study of her style and performance, she emerges both as the midwife of the collapse of consensus and also as its product.
