Along the way, I had also written a book, "The Art of Sauna Building", which became acclaimed as a best-seller with 40,000 copies sold to date. It received the ultimate confirmation of its status when a senior vice-president with the largest sauna manufacturer in the world, Saunatec Oy (in Finland of course), called it "the best book ever written on sauna building". The latest edition of my sauna book is now available on this website. In addition, the internet has spawned 6,600 reprints of ...
