Drain the swamp is a phrase which since the 1980s has frequently been used by American politicians. The phrase alludes to the physical draining of swamps to keep mosquito populations low to combat malaria, and Washington D.C. being founded on a supposed swampy ground. It has been used as a metaphor by: Helen Hunt Jackson (1830-1885) who wrote that to "clear the swamp" (the first obvious step ...

The phrase drain the swamp was originally popularized to reference the literal removal of water from marshy areas. Removing the water would also remove mosquitos, alligators, and other creatures that depended on the water. Drain the swamp has since been adopted by politicians who use the phrase as a metaphor that means to "root out corruption." You may have heard that drain the swamp is a ...
