Amazon.com: Customer reviews: The Day the Falls Stood Still

The Day the Falls Stood Still was inspired by two of Hill's heroic rescues, which Buchanan thrillingly recreates. The author's fascination with the lore and legends of the falls is complemented by her interest in the economic and industrial forces at work in the region at the dawn of the hydroelectric era.

The Day The Folls Stood Still - covertocoverbooks.ca

A representative of an alien race that went through drastic evolution to survive its own climate change, Klaatu comes to Earth to assess whether humanity can prevent the environmental damage they have inflicted on their own planet. When barred from speaking to the United Nations, he decides humankind shall be exterminated so the planet can survive.
