The demands of liberty : civil society in France since the ...
We typically envision civil liberties as being limitations on government power, intended to protect freedoms that governments may not legally intrude on. For example, the First Amendment denies the government the power to prohibit "the free exercise" of religion; the states and the national government cannot forbid people to follow a religion of their choice, even if politicians and judges think the religion is misguided, blasphemous, or otherwise inappropriate.

What Are Civil Liberties? | American Government
Liberty is a state of civil or political freedom. In a more particular sense, a liberty is the term for a franchise, a privilege, or branch of the crown's prerogative granted to a subject, as, for example, that of executing legal process. These liberties are exempt from the jurisdiction of the sheriff and have separate commissions of the peace. In the United States a franchise is a privilege ...

In 1776, rebellious American colonists looked to the Magna Carta as a model for their demands of liberty from the English crown on the eve of the American Revolution.

Magna Carta - HISTORY
Ordered liberty flourishes where people govern themselves according to reason. Self-governing people make—design, craft, and promulgate—law to govern their own and others' choices and actions. The artifacts of that law-making may be unreasonable or even unjust, but they are nevertheless laws.

Ordered Liberty and the Demands of Law
Good politics also protects such liberty by resisting the operation of monopolies in business or labor markets and by generally opposing laws that grant subsidies, protect collective-bargaining agreements, set up market-entry barriers, fix prices, and the like.

The Five Conceptions of American Liberty | National Affairs
Just as in criminal and quasi-criminal cases, 762 an impartial decisionmaker is an essential right in civil proceedings as well. 763 "The neutrality requirement helps to guarantee that life, liberty, or property will not be taken on the basis of an erroneous or distorted conception of the facts or the law. ...
