The Game of Life, also known simply as Life, is a board game originally created in 1860 by Milton Bradley, as The Checkered Game of Life. The Game of Life was America's first popular parlor game. The game simulates a person's travels through his or her life, from college to retirement, with jobs, marriage, and possible children along the way. Two to four or six players can participate in one game. Variations of the game accommodate up to ten players. The modern version was originally published 1
