### **The Globalization Of Addiction A**

'The Globalization of Addiction' presents a radical rethink about the nature of addiction. Scientific medicine has failed when it comes to addiction. There are no reliable methods to cure it, prevent it, or take the pain out of it. There is no durable consensus on what addiction is, what causes it, or what should be done about it.

### **(PDF) THE GLOBALIZATION OF ADDICTION: A STUDY IN POVERTY ...**

The Globalisation of Addiction's argument often makes surprising turns and explorations - each worth following for its information about the history of Western culture and about the contemporary world. Part of what is disorienting is the book's unusual combination of conventional, North American understandings - including its use of the word "addiction" - and its utterly unconventional and thoroughgoing expansion of such understandings across categories, cultures, and historical epochs.
