In "The God Who Is There", Francis Schaeffer explains that our world needs to know that GOD is THERE. God is really there - not as a helpful psychological construct but really, a real personality who is truly alive and acts and acted in real, verifiable space-time history as certainly as I sit here typing now.

The God Who Is There by Francis A. Schaeffer

There have been many books written to help people come to a basic understanding of God. They usually fall into two categories, either very superficial to give you a brief overview, or very technical and detailed giving some people way more information than they need to make a good decision.

D. A. Carson

The God Who Is There is a full, deep, penetrating look at society and its relation to the church (and vice versa), but it can be summarized in five basic passions, according to author and editor James Sire, in the foreword. One, a passion for the God who is there, the God who directly engages with his people. Two, a passion for truth.
