If they're on sale in both the Amazon and Google Play bookstores, you could also download them both.

### The Happy Horse An Amateurs

Tania Kindersley shows enormous dedication in her quest to understand her horses, and in the knowing, create the happiest life possible for them. She's put her experience, her learning and her errors to good use by taking others along for the metaphorical ride, and in the process hopefully shared a very important message.

The guiding principle behind The Happy Horse is that it's not just the horse who needs the training. It's the human part of the partnership as well and she (in this case) has found herself learning with increased self-awareness, and understanding some of life's big lessons courtesy of her glorious red ex-racing Thoroughbred.
