The Kalevala Or Poems Of

The Kalevala is a 19th-century work of epic poetry compiled by Elias Lönnrot from Karelian and Finnish oral folklore and mythology. It is regarded as the national epic of Karelia and Finland[Note 1] and is one of the most significant works of Finnish literature. The Kalevala was instrumental in the development of the Finnish national identity and the intensification of Finland's language strife that ultimately led to Finland's independence from Russia in 1917. The first version of the Kalevala,

Arth : Kalevala English Summary

The Kalevala is the great Finnish epic, which like the Iliad and the Odyssey, grew out of a rich oral tradition with prehistoric roots. During the first millennium of our era, speakers of Uralic languages (those outside the Indo-European group) who had settled in the Baltic region of Karelia, that straddles the border of eastern Finland and north-west Russia, developed an oral poetry that was to last into the nineteenth century.
