The Log from the Sea of Cortez is an English-language book written by American author John Steinbeck and published in 1951. It details a six-week marine specimen-collecting boat expedition he made in 1940 at various sites in the Gulf of California, with his friend, the marine biologist Ed Ricketts. It is regarded as one of Steinbeck's most important works of non-fiction chiefly because of the involvement of Ricketts, who shaped Steinbeck's thinking and provided the prototype for many of the pivo
