The Lost Language of Plants by Stephen Harrod Buhner ...

It's the plants themselves that are healing. There are plenty of other examples like the one shared by the New Yorker in The Lost Language of Plants, some that demonstrate an experience some people have of being able to communicate with plants or feeling that certain plants are communicating with them. These ideas are a little more difficult for me to comprehend as they challenge a sense of logic and reason that... yeah, I'm at a loss for words here.
