The Making Of Americans Gertrude

The Making of Americans: Being a History of a Family's Progress is a modernist novel by Gertrude Stein. The novel traces the genealogy, history, and psychological development of members of the fictional Hersland and Dehning families. Stein also includes frequent metafictional meditations on the process of writing the text that periodically overtake the main narrative.

The Making of Americans - Wikipedia

In The Making of Americans, Gertrude Stein sets out to tell "a history of a family's progress," radically reworking the traditional family saga novel to encompass her vision of personality and psychological relationships.

The Making of Americans by Gertrude Stein

The Making of Americans, novel by Gertrude Stein, completed in 1911 and considered to be one of Stein's major works. The novel was not published in book form until 1925 because of its lengthiness and experimental style. The Making of Americans lacks plot, dialogue, and action. Subtitled Being a History of a Family's Progress, the work is ostensibly a history of three generations of Stein's forebears, the Dehning and Hersland families.
