Nature and authority of the Catholic Church Flashcards ...

Despite the differences between government systems in the Middle East and the United States, their governments play the same fundamental role: in some fashion, they exert control over the people they govern. The nature of that control—what we will define as power and authority—is an important feature of society.

Power and Authority | Introduction to Sociology

THE UNIQUENESS OF THE BIBLE The Bible is unique! It is not enough to say that it is a unique Book, for it is a collection of sixty-six ancient Books. Moreover, this unique collection of Books is bound together by a central theme and a unity of purpose which makes the books into One Book. This Book tells of the ways in which God revealed Himself to mankind over a period of several thousand years.
