events in the middle east focusing on Syria, Libya, Egypt, Yemen, Bahrain and Tunisia.

Despite most headlines trumpeting ideological reasons for who should be in charge the author discusses which regional powers have direct interests and spheres of influence concerns in the various countries.

The New Arab Wars is a profound illumination of the causes of this nightmare. It details the costs of the poor choices made by regional actors, delivers a scathing analysis of Western misreadings of the conflict, and condemns international interference that has stoked the violence.
