The normal chaos of (Chinese) love In 1995 wife and husband Ulrich Beck and Elizabeth Beck-Gernsheim, two German sociologists, co-authored a book called The Normal Chaos of Love. They explained how fundamentally love is changing in modern times, creating opportunities for both

democracy and chaos in personal life.

### **The normal chaos of (Chinese) love | The World of Chinese**

This book argues that one of its main features is a collision of interests between love, family and personal freedom. The nuclear family, built around gender status, is falling apart the issues of emancipation and equal rights, which no longer conveniently come to a halt outside our private lives. The result is the quite normal chaos called love."
