The School Choice Journey by Stewart, T. (ebook)

Abstract. History was made on January 29, 2004, when President George W. Bush signed the District of Columbia School Choice Incentive Act of 2003. 1 The law established the first federally funded private school choice program in the United States. A total of 2,454 students in over 1,500 families received what came to be called Opportunity Scholarships through t he program in 2004 and 2005 ...

Introduction: The School Choice Journey: School Vouchers ...

Choice Schools and programs are optional schooling alternatives, created to meet specific needs and interests. They are designed to be smaller and use innovative approaches to education that are different from traditional public schools. Choice Schools and programs are often housed within an existing school or on the same campus as another school.
